Happy Easter!! 😊

PRINCIPAL'S MESSAGE

As Term 1 draws to an end, I find myself marvelling at how well our students have settled into the 2018 school year. We have certainly hit the ground running working hard at school to establish important classroom routines that will encourage successful learning throughout the year. This is especially necessary this year as we have a younger student cohort.

I am very proud of the positive attitude and resilience our students turn up with to school each day. It distils a high degree of optimism regarding our future academic achievements and the learning journey we are commencing this year.

EASTER ACTIVITIES

Students thoroughly enjoyed attending the Aged Care Home this week on Monday as they shared their Easter greeting cards and artworks with the residents. Thank you to the Urbenville Aged Care Home for your hospitality and for facilitating our continued fortnightly visits.

Students at Urbenville Public School were treated to a fun filled day of Easter activities on Thursday prior to breaking up for the Easter long weekend. Students completed a variety of Easter themed art and craft projects before putting their maths knowledge to the test and engaging with a head scratching Easter Egg Maths Mystery Hunt.

Thank you to those members of our wonderful Urbenville school community who donated Easter Eggs to our Easter Egg Maths Mystery Hunt. A special thank you to Mrs Nerney for such a thoughtful and generous donation of 11 student Easter baskets. The students smiles were matched only by the amount of fun they had hunting for them!

P&C NEWS

The P&C AGM was held on Tuesday 27th March and all positions were declared vacant and nominations for the hotly contested positions were filled from our group of enthusiastic parents who have identified a variety of ideas for fundraising and events. The new committee for 2018 is:-

President: Trannette Scofield

Secretary: Leia Vennix

Treasurer: Amy McGrath

Canteen Manager: Leia Vennix

We would like to extend a big thank you to our 2017 committee for all your hard work and effort and welcome in the 2018 committee. ☺ We will be trialling a change of day for the P&C meetings in an effort to identify a regular day for parents and community members to attend the meetings. Due to the upcoming school holidays, the next P&C meeting will be held on the last day of school, Friday 13th April at 1.30pm to finalise the Mother's Day raffle. Love to see you all there!!

STEWART HOUSE

Remember be in it to win it!

A reminder that a gold coin donation will see you in the draw to win a family holiday valued at \$4000. Your valued donation will contribute towards supporting a wonderful not for profit organisation. Stewart House do a fantastic job in assisting young people in need to access educational experiences otherwise out of reach.

COLES SPORTS VOUCHERS

Just a friendly reminder that the Coles Sports for Schools program is drawing to an end. A big thank you to those who have collected vouchers on behalf of our school. For those of you who have collected vouchers and are yet to drop them off, our collection box is located in the school office and any contributions will be greatly appreciated.

DAYLIGHT SAVINGS ENDS

Love it or hate it, this Sunday 1st April sees the end to daylight savings. Remember to turn your clocks back one hour on Sunday.

COMMUNITY NEWS

Urbenville Progress Assoc Devonshire Tea

The Urbenville Progress is holding its popular Devonshire tea at Urbenville Hall this coming Saturday 31st from 9-30am – 11.30am. Come along and enjoy some scrumptious scones and a cuppa while catching up on the local gossip.

Good Friday on the Corner

Come and join us at Urbenville Hall at 10am followed by brunch at 11am tomorrow. All welcome.

Woodenbong Show

The Woodenbong Show has been cancelled this year due to the wet weather and the effect this has had on the grounds. Entrants are encouraged to hold on to their entries until next year's show.

'RIDDLE ME THIS'

The answer to last week's riddle:

Q: *What do the numbers 11, 69 and 88 all have in common?*

A: *They read the same right side up and upside down.*

This week's riddle:

Q: *Using only addition, how do you add eight 8's and get the number 1000?*

The answer will be published in the next newsletter!
