Every student, Every voice!

PRINCIPAL'S MESSAGE

As we observe Education Week for 2019 I find myself reflecting on this year's theme, *Every student, every voice*. Being a small school, staff at Urbenville enjoy the luxury of being able to engage with our students in a more personalised manner guaranteeing every student is known, valued and cared for in order to ensure our students are continually engaged and challenged to continue to learn.

Students have been acknowledging Education Week this year by engaging in classroom discussion, self-reflection and writing activities, interpreting their student voice and framing this against a series of self-portraits they have created. I am extremely proud of our students and the learning journey we engage with on a daily basis.

Thank you to our staff and learning community for your hard work, dedication and support to ensure our students achieve their goals in education.

EDUCATION WEEK – Week 3

Education Week is a statewide, annual event, held during the first week of August, to celebrate NSW public education. The theme for 2019 is 'Every Student, Every Voice'. It is a celebration of student empowerment and how the NSW public education system gives students the skills they need in order to have and express a voice during their own educational journey and as engaged global citizens.

CANTEEN VOLUNTEERS

Students at Urbenville Public School enjoy a wonderful selection of fresh healthy foods provided by our very hardworking school canteen volunteers. If you are able to spare a few hours of a Wednesday to help support our already hard working canteen team, please contact the school for more information.
