'Little Stars Under the Big Stars'
Get ready for it!

PRINCIPAL'S MESSAGE

Throughout Terms 3 and 4, students and staff have been working tirelessly towards our end of year school performance, *'Little Stars Under the Big Stars'* and I can announce it will be held on the evening of **Friday 17th December**. Why is it so late in the term you ask?

A number of factors were taken into consideration prior to locking in a date. COVID-19 restrictions and NSW Health regulations dominated these, but there was another element that the school was trying to work with. This, I cannot disclose just yet, but I ask you to trust me when I say it will be worth it!

Unfortunately, this will be an invitation only event offered to parents, school community and special guests. Invitations with further information are being processed at the moment and will be sent out soon.

URBENVILLE PUBLIC SCHOOL 2022 KINDY O PROGRAM

Our 2022 Kindergarten Orientation Program has been such a joy to watch this year. Our 2022 Kindergarten students have hit the ground running and have already established themselves within the classroom as positive, very bright little vegemites!

INTENSIVE SWIM PROGRAM – Week 8, Week 9, Week 10

Some wild weather to contend with as our intensive swim program kicked off this week. Thank you to our students and staff for braving the elements to facilitate this incredibly valuable program. A big thank you also to Ruby for getting the kids to harness that kicking and thrashing and moulding it into a form that resembles a recognised swimming stroke!

RFS VISIT AND FIRE SAFETY TALK

Thank you to Jim Cook for bringing the fire truck down to school and taking the time to sit down with our students and educate them on the importance of fire safety, prevention and most importantly what to do in a fire and how to report it. And for the record Jim, you were right. My powers as principal do not extend to driving the truck around the school oval with the lights flashing!

FACEBOOK

I would like to remind and encourage our staff, parents and community members to get behind our school Facebook page. Don't be shy and throw us a 'like', share a post, or even make a comment. We value our parents and community feedback and we are super proud of the work our little champions are doing in the classroom.

P&C MEETING

We are looking into the reality of holding a virtual P&C meeting in the coming weeks. Watch this space for more information on this.
