'EVERY DAY COUNTS'

The wellbeing of our students is extremely important to us. One way we protect the wellbeing of your child is by fulfilling our responsibilities as both parents/carers and school staff by reporting and monitoring student absences.

Please remember to contact the school on 66 341 333 or email urbenville-p.school@det.nsw.edu.au. This is best done early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly, and we can provide appropriate support for you and your family.

For further information on the processes we use to record, monitor and follow-up student attendance and absences please read our School Attendance Policy.

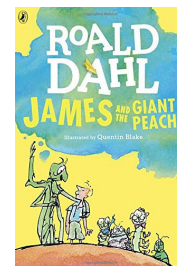

TEXAS PEN PALS – UPS going global

Our students were super excited to engage with their new friends across the Pacific Ocean in Texas, USA. Miss Amy and Miss J connected and thought we could offer our collective students a different perspective on schooling and life in general between Aussie kids and American kids. We sent our first package off this week and look forward to receiving a response from our new friends.

JAMES AND THE GIANT PEACH STAGE SHOW - Cancelled

Unfortunately, our much-anticipated excursion up to QPAC to watch the stage show of James and the Giant Peach had to be cancelled due to poor weather, in particular, flash flood warnings. It was disappointing, but the safety of students and staff are paramount. On a positive note, the school was able to negotiate with the production company for a special treat for our students in Term 3 so stay tuned!

STUDENTS OF THE WEEK

A new initiative at UPS to promote wellbeing and celebrate the high expectations and learning culture we continue to develop is the student of the week. Each student of the week is selected by staff and have their photos displayed on the interactive white board for the entire week, as well as a couple of other added bonuses.
